can consider it. As far as I know there is no scope for influencing the Director or the Directorate of the laboratory. Still if somebody feels there may be possibilities of influencing the department, I will ask the department concerned to find out what the matter is.

SMT. DAMAYANTHI BORE GOWDA.—The reply given to question(a)is not correct. The Chief Minister has sanctioned this motel in July 1972 and I have the letter. So Many ministers and Directors of Tourism have visited this place before 1975. Such being the case, how can we say it was sanctioned in 1975.

†SRI M. MOHAMMED ALI.—I will get that verified. Whatever information. I have received it is given. I will verify. It is quite possible that what the hon'ble member says may be right.

SRI D. DEVARAJ URS.—I agree the work has been held up. I think the Government will sanction amount to complete the work. It is in the highway and a motel was thought of in that place. It is some where near Gajam area So we thought of putting one. I think since more than two years it has been taken up.

MADAM SPEAKER.—Why should they furnish wrong information.

SRI D. DEVARAJ URS.—The Hon'ble Minister has already explained. It has to be taken up. I promise that it should be taken up.

SRI M. MOHAMMED ALI—We have provided funds this year. The difficulty was regarding site. We will be able to take up this work this year.

SMT. DAMAYANTHI BORE GOWDA.—The foundation stone was laid with all pomp and pageantry and we have become a laughing stock.

MADAM SPEAKER,—You will get credit now.
